

Call for participants: SHAPE-EU study visit to Paris

MONDAY, JUNE 19TH 2023 | PARIS, FRANCE

Are you working in the field of social housing renovation?

Join a practical study visit to **Paris, France** to:

- *Discover **the successful urban regeneration project transforming the Reuilly barracks into affordable housing (The Caserne de Reuilly),***
- *Learn about **innovative technologies to upscale renovation,***
- *Meet the local experts behind the scenes who make it possible.*

OBJECTIVE

The objective of this study tour is to provide practical insights **on renovation of large residential housing districts.**

Organised by the SHAPE-EU project and hosted by the social housing company **Paris Habitat**, this study visit focuses on learning about social and affordable housing in France, the different support mechanisms and successfully implemented projects.

The study visit takes place a day before the Affordable Housing Initiative Finance Summit in Paris. Participants are welcome to attend this even as well. Find out more information [here](#).

ELIGIBILITY

- Employees of SMEs, representatives and/or elected representatives of local authorities, representatives of social or affordable housing providers.
- Participants' organisations should be based in [Single Market Programme \(SMP\) countries](#)
- Participants should be planning or implementing renovation projects, preferably at district level.

PROGRAMME

A MORE DETAILED PROGRAMME WILL BE PROVIDED FOR SELECTED PARTICIPANTS.

TRAVEL & ACCOMMODATION

Travel and accommodation fees can be reimbursed up to **500 EUR/person** based on supporting documents.

A list of hotels will be sent along with the definitive programme.

APPLY NOW!

If you are interested in participating, please complete [this application form](#) with a few questions regarding your motivation to participate.

The deadline to apply is **24th of April 2023, 18h00 Brussels time.**

Please note that the number of participants is limited, therefore your participation is not guaranteed. The applications will be evaluated based on candidates' motivation submitted via application form and respecting the deadline. **Priority will be given to participants who have not previously benefited from SHAPE-EU travel support.**

The study visit will be held in English.

ABOUT SHAPE-EU

Coordinated by Housing Europe and co-funded by the European Union's Single Market Programme, the goal of the project is to support social housing providers, public authorities, and SMEs to deliver social and affordable housing district renovations, which include innovative features, such as the use of smart and circular technologies and new approaches created and managed jointly with the local communities.
